

QUESTION 43

The administrative structure of international cooperation in the field of intellectual property

Yearbook 1966/II a, 69th Year, page 49
26th Congress of Tokyo, April 11 - 16, 1966

Q43

Question Q43

Administrative machinery of international cooperation in the field of intellectual property

Resolution

The Congress

I. approves the principle of a reorganization of the administrative machinery of the Unions.

II. approves in principle the creation of a world-wide Intellectual Property Organization provided that the full autonomy of the Unions is preserved.

III. refers back to the Executive Committee for an additional examination of the draft of January 1966.
