Q112

#### **Question Q112**

#### **Restoration of patent rights**

#### **Resolution**

1. The Council of Presidents declares itself to be in favour of the principle of the restoration of patent rights, in the event of the omission of a formality or of the payment of a fee within the legal delay, on conditions to be determined.
2. It has also given favourable consideration to the principle of the restoration of the priority right, but on rigorous conditions to be determined.
